Hello All Saints Parish,

Seeing the homeless, hurt, and hungry has always troubled Colleen Wiendels a parishioner at the West Middlesex Catholic Family of Parishes. [In this video](#), Colleen explains her involvement with 37 Frank Youth Centre, a charitable organization serving youth in the community. *"We have provided many with emergency backpacks, food, safety, and guidance" she explains, "we call ourselves Frank's Family, we are truly a family".*

It's cold out there. And our team is going to do something about it. We're walking and fundraising to support the day-to-day operations and future development of 37 Frank Youth Centre. Afterwards, you are invited to join us for an evening of prayer, praise & worship, and Eucharistic Adoration. [Click here to learn more.](#)
